Original Language: English Subtitle: ENGLISH I've tried to debug this error using the following code, and I'm guessing the issue has something to do with the Network Adapter or whatever is causing this issue.

```
from scapy.all import *
from datetime import datetime
def debug_message(msg): #
```

Quick and dirty, return the character representation of the given # string. text = msg.split(" ")[0].split(" ") print "%s" % " ".join(text)
